Admittance and mode of play-offs

- Admittance:** First 16 female juniors and 32 male juniors are qualified.
For equal scores at the final cut there is a throw-off beginning at lane 1 at the course last played by this category.
In case of equal scores among the qualified players, the ranking order of the players and thus the places in the final table are defined by the WMF regulations (handbook point 3.1.10.3) for scoring and play-offs. Also among the through throw-off qualified players the ranking order is decided by the regulations mentioned above, but not by the results of the sudden death.
The complete table for the finals of female juniors and male juniors is described at next pages.
If any qualified female or male junior doesn't appear to the start of k.o.-finals for any reason, there is no replacement by the next player of the ranking list of preliminary rounds. His/Her place in the table remains empty and other players keep their original ranks.
- Lanes for play-off:** felt / course A
The 9 lanes with the lowest average score after second competition day.
miniaturegolf / course B
The 9 lanes with the highest average score after second competition day.
Single lanes can be changed by the WMF youth officer for serious reasons; decision will be published latest at the end of second competition day.
- Mode and ranking:** All play-offs are played as matchplay.
Matches until semifinals are played with shotgun start.
For starting lanes see play-off tables.
Semifinals, finals and matches for rank 3 are started at lane 1 of minigolf (female juniors, male juniors) one match after the other.
After each lane the playing order in the playing group is changed.
Number of won lanes decides about the winner, who proceeds to the next round. In case of equal number of won lanes after full 18 lanes (or fewer if the number of played lanes has to be cut due to weather) the match is continued at next of the chosen lanes until one player wins one lane.
A match has to be stopped earlier than after 18 lanes, as soon as one player has already won the match mathematically.
Play at a lane has to be stopped as soon there is a winner for the lane.
Losers of the same round are finally ranked according to their total results of preliminary rounds of team competition days.
- Scorecard for play-off:** Layout of scorecards see next pages
- Final interruption during play-offs:** In case of final interruption during any round until semi-finals (until all matches of the round in one category have been completed), the remaining players are ranked according to their total results of preliminary rounds during team competition days.
In case of final interruption during final match and match for rank 3: The current leader of the match is the winner.

WORLD MINIGOLF SPORT FEDERATION

Bad conditions during team competition:

The team competition is finished latest at the end of third competition day; all fully completed team rounds are counted.

In case of bad conditions during play-offs the rounds are cancelled in a way, that there remains always a chance for a real final.

First option is to cut the first k.o. round for male juniors and to continue with 16 male juniors.

Second option is to change the number of lanes for each k.o. round if necessary.

The decisions for changes are done by the jury of the championships.

Penalty system:

No penalties from team competition are carried forward to the play-offs.

First step is a written pre-warning with no consequences.

For all following violations the player in question loses the next unfinished lane (meaning the next lane, which has no winner yet).

Referees have the possibility to skip the pre-warning level in case of severe or tactical violations.

All penalties are announced via loudspeakers.

Coaches:

Maximum of two coaches per nation are allowed on each course during the play-offs, regardless of the number of participating players of the nation.
